Please explain the reasons for nominating this student for an AGEP Summer Bridge position describing how you think this experience will enhance your admissions offer to them or help them with their transition into your graduate program, and what exactly the student will be doing during the summer (i.e. lab rotation, taking classes, etc.). Details are helpful so please attach an additional sheet if necessary:

Please note the following conditions:

1. Space for this program is limited to five (5) slots.
2. Tuition, travel, health fees, lab supplies, etc. will not be covered by the AGEP Program and are expected as applicable cost-share by the graduate program.
3. For liability reasons, the host department will be responsible for enrolling the student as of summer 2007
4. Only nominate candidates that have been officially accepted into your graduate program.
5. A stipend of up to \$350 a week for a maximum of ten (10) weeks will be given to each incoming AGEP STEM doctoral student as a Bridge student (dates and amount of stipend to be determined jointly by the department, student, and the AGEP program and will be contingent upon the amount of time/level of commitment).
6. Nominations are rolling and decisions will be made within four (4) weeks from the date of submission.

Submit this form with a complete copy of the student's application to:

AGEP, Melville Library E-1340, Zip = 3387 or fax it to 2-1837. Thank you.
